Forecast for Friday 25 Aug 2023

Weather: A few showers overnight and at first on Friday. Bright spells during the day with showers becoming more frequent during the morning. Some of the showers will be heavy in the afternoon and early evening, especially over Monadhliath and Cairngorms with small risk of thunderstorms.

Chance of cloud-free hill tops above 800m: 50%

Low cloud and visibility: Away from showers the visibility will be very good with occasional cloud cover above about 700 to 800m. Marked reductions to poor visibility as heavier showers come along with more extensive clouds lower down the hills.
